COMPANY OVERVIEW

Pittman Woodworks is a family-owned commercial casework and countertop subcontractor in North Richland Hills, Texas. We engineer shop drawings, CNC-fabricate in our own shop and install with our own crews, giving general contractors one accountable partner from bid through closeout.

CORE CAPABILITIES

- Plastic laminate commercial casework
- Plastic laminate, solid surface and quartz countertops
- Frameless 32 mm and face-frame construction
- Built to AWS Economy, Custom or Premium grade when specified
- Accessible (ADA / TAS) casework and countertops
- Shop drawings and full submittal packages
- Self-performed installation and punch list

HOW WE DELIVER

- Field verification before drawings are finalized
- Shop drawings engineered in Cabinet Vision
- CNC machining with barcode part tracking
- Pre-delivery inspection on every order
- Single point of contact from bid through closeout
- Bid requests answered within one business day

MARKETS SERVED

- Healthcare
- Restaurants
- Multifamily
- Education
